

Mohamed Slama

Computer Science Engineering Student

Tunisia mohamed.slama@ensi-uma.tn

github.com/slama-mohamed linkedin.com/in/mohamed-slama-4677a5323

Profile

Computer Science Engineering student at ENSI with hands-on experience in Flutter development and AI-powered systems. Interested in software engineering, mobile applications, NLP, and scalable system design.

Education

National School of Computer Science (ENSI) — Tunisia	
Engineering Degree in Computer Science	2024 – Present
Preparatory Institute for Engineering Studies of Tunis (IPEIT) — Tunisia	
National Competitive Exam Rank: 167 / 1750	2021 – 2024

Professional Experience

Flutter Mobile Development Intern — InnoTeam Solutions	Oct 2025 – Nov 2025
--	---------------------

- Developed Flutter features for a cross-platform mobile application
- Collaborated within an agile development team
- Worked with Flutter and Dart for UI and feature integration

Flutter Development Intern — IB Space

- Designed responsive mobile and web interfaces using Flutter
- Integrated REST APIs and backend services
- Applied Git workflow, testing, and clean architecture principles

Projects

Psychora — AI-Powered Psychiatric Diagnostic Assistant

Python, NLP, Hugging Face Transformers

- Built an AI-assisted diagnostic system for psychiatric disorder classification
- Performed clinical dataset preprocessing and exploratory analysis
- Fine-tuned transformer models for diagnostic prediction
- Implemented progressive dialogue-based diagnostic reasoning

SafeFile — Secure File Storage Platform

Flutter, Backend APIs

- Developed a secure file storage and management application
- Implemented file upload, organization, and access management features
- Designed a clean and responsive Flutter interface

Neo School — Educational Mobile Platform

Flutter, Dart

- Developed a mobile application for school management and student interaction
- Implemented responsive UI components and educational workflows

Technical Skills

Programming	Python, C/C++, Java, JavaScript, Dart, HTML/CSS
Mobile Development	Flutter (iOS & Android)
AI / Data	NLP, Hugging Face Transformers, Data Preprocessing
Tools	Git, GitHub, Linux, VS Code
Core CS	Algorithms, Data Structures, OOP, Software Design
Languages	Arabic (Native), English (Fluent), French (Fluent)

Activities

Member of ECPC Club and IEEE Student Branch at ENSI. Participated in hackathons, programming workshops, and collaborative software projects.
